

Dear Parent,

Greetings from Asian Christian High School!

Hope all is well with you and your family. Hope our students are safe and are spending quality time with you and other family members. The world is in distress and it is time for all of us to muster courage and lead our families to face this challenging time of Corona pandemic. Please follow all govt. advisories so seriously and avoid getting out of your homes except for compelling emergencies.

Let us uphold, as members of ACHS family, all those who are affected by the virus globally. Let us pray for the comfort of the families of the deceased and for those undergoing treatment. Let us also remember those working in different parts of the world for the containment of the spread and cure of the affected-medical staff, police and defence personnel, govt. authorities, decision makers, NGOs etc. for their protection and wellbeing.

India is also facing such catastrophic uncertainty as it is not clear how things would go forth and how long this lock down would continue. Regular onsite education will be a bit away, seemingly, for the time being. ACHS is getting readied for launching virtual classrooms for our students, especially of higher grades, in the comfort of their homes using modern edu-tech facilities.

Pilot rounds are going on and within a few weeks you will be intimated of the same.

We hope that our students will be able to resume their regular online classes soon.

STAY AT HOME. STAY SAFE.

Wishing you a safe time

Asian Christian High School
